Subject: RE: Proposed Synthetic Minor NSR Permits for Multiple Facilities on the Uintah & Ouray Indian Reservation

Eric,

Would it be possible to get a Word version of just the permits? It would make it easier for my review since I need to compare 6 documents at once.

Subject: Proposed Synthetic Minor NSR Permits for Multiple Facilities on the Uintah & Ouray Indian Reservation

I have attached the requested proposed permits, the accompanying technical support documents, and the bulletin board notice for six (6) facilities located on Indian country lands within the Uintah & Ouray Indian Reservation. We will also be posting the proposed permits, technical support documents, applications and other supporting permit information in PDF format on our website at <http://www.epa.gov/caa-permitting/caa-permit-public-comment-opportunities-region-8>. The six (6) facilities are listed below.

- East Bench Compressor Station - Permit # SMNSR-UO-000824-2016.001;

- Sage Grouse Compressor Station - Permit # SMNSR-UO-001875-2016.001;
- North East Compressor Station - Permit # SMNSR-UO-001874-2016.001;
- North Compressor Station - Permit # SMNSR-UO-000071-2016.001;
- Archie Bench Compressor Station - Permit # SMNSR-UO-000817-2016.001; and
- Bitter Creek Compressor Station - Permit # SMNSR-UO-000818-2016.001.

In accordance with the regulations at 40 CFR 49.157 and 49.158, we are providing a 30-day period from January 8, 2018 to February 7, 2018 for public comment on these proposed permits. Comments must be received by 5:00 pm MT February 7, 2018, to be considered in the issuance of the final permits.

Please submit any written comments you may have concerning the terms and conditions of the proposed permits. You can send them directly to me at wortman.eric@epa.gov, or to r8airpermitting@epa.gov. Should the EPA not accept any or all of these comments, you will be notified in writing and will be provided with the reasons for not accepting them.

Thank you,

Eric
